

# Do You Use Assistive Technology?

## We need you!

**WHY:** The Wisconsin Department of Health and Family Services is seeking people who use assistive technology to participate as members of the Wisconsin Assistive Technology (AT) Advisory Council.

**WHAT:** The AT Advisory Council will provide ongoing advice and direction to the Department on the WisTech program.

**WHO:** We are seeking consumers who:

- use assistive technology. For those consumers unable to represent themselves, this includes family members or guardians.
- are willing to and interested in providing a guiding voice for the availability and provision of AT services across the state.
- are willing and able to participate in four meetings a year via telephone or in-person.

Consumer members:

- receive reimbursement for lodging, meal and mileage expenses.
- serve two- or three-year terms.
- provide a voice for consumer direction of AT services to people with disabilities.

**Application materials can be found online at:**

<http://dhfs.wisconsin.gov/disabilities/wistech/index.htm>

**All applicants must submit a consumer interest form and a resume**

**DEADLINE: Ongoing**
